

Certificate No. 240808-UD1 - REACH

Product: Blues Wireless for Arduino Opta

Manufacturer: Blues Wireless Inc.

Address: 50 Harbor Street, Manchester, MA 01944

Certification for the Regulation 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

Results:

1. Product contains the following Substance Very High Concern (SVHC) above the threshold of 0.1% w/w at the component level, which must be communicated to final users:

Substance Name	CAS Number
Lead	7439-92-1

2. Product complies with the REACH Annex XVII restrictions.

Other observations

- The information about the SVHCs must be communicated to final users, according to art. 33 of 1907/2006/EC, and the SCIP database notification.
- Some SVHCs may also be restricted under the European regulation 2019/1021 on Persistent Organic Pollutants. This should be considered when declaring SVHCs on the SCIP database.
- Other legal requirements may apply, such as POP (2019/1021), California Proposition 65 (Safe Drinking Water and Toxic Enforcement Act of 1986), US TSCA (Frank R. Lautenberg Chemical Safety for the 21st Century Act), etc.

EnviroPass Expertise Inc. (EnviroPass) believes to the best of its knowledge and expertise that this certification is accurate as of its date of signature. EnviroPass has relied upon statements of agencies, manufacturers, suppliers, subcontractors and others in the preparation of this certification. Declarations of Conformity are issued under the sole responsibility of the manufacturer. This certification has been prepared following the guideline of standard IEC 63000:2018 - *Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances* – and the Guidance on requirements for substances in articles, version 4.0 – June 2017.
